

How To Pack Your Order For Drop-off

1. Confirm

Carefully confirm that all listed items, titles, and quantities on your Order Confirmation match your order.

2. Organize & Label

Arrange and clearly label your media in the desired viewing order. Your media will be transferred in the order it is provided. If you're submitting different media formats, group each type.

3. Drop Off

Bring your media to your local Walmart Photo. We'll send you an email when your order is complete and ready for pick-up at Walmart.
